

Bonnie Vent the Spirit Advocate (sm) communication with George Carlin Timeline Summary

June 22, 2008 – George Carlin passed away

June 24, 2008 – Created a small tribute to George Carlin which aired on Para X Radio

June 25, 2008 – Contacted by a reporter at The Globe who wants to know if I have any information on George Carlin's funeral. Based upon his website he did not have a funeral.

June 25, 2008 – Hate mongers threaten to protest George Carlin's funeral. They don't like gay people either. Funny considering my next step was to contact an openly gay standup comedian.

<http://www.youtube.com/watch?v=Jd0dtyr3ifw> George refers to this "going to hell" issue in the channeled message. See below.

June 25, 2008 - I have no information but agree to contact ANT. ANT does not know about any funeral arrangements but does know someone who is a close friend of George Carlin. This same person is also a MySpace friend of mine.

July 3, 2008 – Loyd Auerbach announces he will be appearing on The View on July 8, 2008

July 6, 2008 – Receive a channeled message from George Carlin

July 6, 2008 – Sent the message to the family friend for delivery to the family

July 6, 2008 – Sent the channeled message to Loyd Auerbach

July 8, 2008 - Loyd Auerbach appears on The View. Joy Behar asks specifically about George Carlin.

Not sure when this was posted but on July 20, 2008 discovered George Carlin's last wishes on his website.

July 16, 2008 – Received an interview request from a producer at Paranormal Talk with Captain Jack.

August 7, 2008 – Appearance on Paranormal Radio with Captain Jack. Jack knew George Carlin and was trying to get George Carlin on his show right before he died. This invitation came out of the blue and I did not know at the time that Jack knew George Carlin.

Subject: A message from George Carlin

Hey Loyd,

I just wanted to share with you that I received a message from George Carlin today. I am in the process of getting the message delivered to his family but this seems to be a public message as well. I am one person away from his family. If she agrees to help me then it will be delivered to the family shortly.

If it is ok with you I would like to keep you in the loop regarding my work.

Thx,Bonnie

Transcript of the channeled message:

George Carlin

Date: 07/06/08

Time: 10:45am

Note: This message started coming through at 10:45am. I was not at the computer at the time; I was just getting dressed after a shower. Yet another communication connected with the shower. I was actually thinking about a close friend who is dying of cancer when George came through.

Actually start time: 10:50am

Hi Bonnie I am sorry that I barged in on you but that is just my nature. I really needed to let everyone know that I am completely fine; have not gone to hell, yes I know about that, and what a bunch of bullshit religion is. Just as I had thought all along. I was not completely sure that I was right, but fuck man. This transition thing is pretty cool and has nothing to do with any nuns, priests or whatever they call themselves.

I had always believed in there being something out there that was greater than me. That part is true. This transition thing is a breeze. I have not laughed so hard in a long time. Damn I did well even if I do say so myself. I hope that I woke up a few people. It turns out that was all by design. It was amazing to view my life. I took no prisoners and fuck um if they can't see what is truly real. People are really stupid.

In case you are wondering you are gathering clients. I was allowed this brief visit as it will be used for your benefit later on. I am sorry that we never met in life; I think that would have been one hell of a talk. Even I had to sugar coat things a little when I "performed".

Thanks so much for doing this for me and please know that all is well with you too.

All good things ahead,

George

End time 11:00am

THE SEVEN FAMOUS WORDS,
WE LOVE YOU AND WE MISS YOU

GEORGE CARLIN
MAY 12, 1937 - JUNE 22, 2008

FROM GEORGE'S FAMILY AND FRIENDS.....
WE KNOW WE ALL MISS HIM AND WANT TO TELL HIM
HOW MUCH WE LOVED HIM, BUT HE GETS THE LAST WORD.....

Upon my death, I wish to be cremated. The disposition of my ashes (dispersal at sea, on land, or in the air) shall be determined by my surviving family (wife and daughter) in accordance with their knowledge of my prejudices and philosophies regarding geography and spirituality. Under no circumstances are my ashes to be retained by anyone or buried in a particular location. The eventual dispersal can be delayed for any reasonable length of time required to reach a decision, but not to exceed one month following my death.

I wish no public service of any kind.

I wish no religious service of any kind.

I prefer a private gathering at my home, attended by friends and family members who shall be determined by my immediate surviving family (wife and daughter).

The exact nature of this gathering shall be determined by my surviving family (wife and daughter). It should be extremely informal, they should play rhythm and blues music, and they should laugh a lot. Vague references to spirituality (secular) will be permitted.
